

SeirenFilms

SeirenFilms is proud to announce the creation of the Seiren Community. We´re launching this new version of the site which will be content driven and will become a place for interaction and communication with our readers. With the Seiren Com (Unity) we complete our own holy trinity of sites: Flash Experience, Community and Blog. Keep on checking our sites for updated information on Seiren Projects and Services.As part of the fun of joining the Seiren Films Community, you can register and gain access to special content and member benefits.Enjoy the New SeirenFilms!
